

After careful consideration, the Governing Council has decided to begin CCC Drive-In Church on Sunday May 24th at 11:00 AM, on a trial basis.

Please enter the West parking lot, where Parking Ushers will direct us to a socially distanced parking space. The Parking Ushers will advise us to tune our vehicle radios to a specific AM frequency on which to listen to the Service.

Pastor Layman will conduct the Worship Service outdoors, in sight of our vehicles, and we are asked to stay in our vehicles during the service.

The Church building will remain locked in an attempt to avoid premises contamination, but a restroom will be available in the little house.

The CCC Security Team will be on duty.

Please let a friend who doesn't get email know of CCC Drive-In Church.

Note that the May 17th Service will still be available on our website.

Stay safe and we look forward to seeing you on Sunday May 24th.

**For The Governing Council,
Bruce Gilbert, Chairman**
