

The Pastor's Perspective

Hi CCC Family!

I have missed seeing each of you over the last two months! I am reminded of an old adage: 'You do not realize what you have until it is gone.' Community is an integral part of what it means to be a Christian. We are designed to be connected and in relationship with one another. Like me, maybe you are beginning to feel disconnected. If so, please feel free to reach out to me at any time. Please inform me of any prayer requests you may have. I am willing to make home visits (while taking precautionary measures) if needed. I am available to serve you and your family during this time of crisis. Like you, I was hoping this epidemic would have ended by now. It is likely we are in the process of creating a new "normal."

Please be in prayer for the leadership team. The team is having to make some difficult decisions. Please know they are prayerfully considering all available options. Their primary concern is the safety and well-being of our congregants. We are blessed to have experienced leaders in our congregation at a time when they are most needed.

As you know, there are varying opinions regarding the nature of Covid-19. Regardless of where you stand on the issue, we can all take comfort in knowing God hears our prayers and is concerned for His people.

Psalm 34:17 - When the righteous cry for help, the Lord hears, and rescues them from all their troubles.

Isaiah 43:1-3 - Do not fear, for I have redeemed you; I have called you by name, you are mine. When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you. For I am the Lord your God, the Holy One of Israel, your Savior.

Blessings!
