To serve our community by instilling love, hope, and grace as we live in God's will as individuals and as a Christian church community.

As We Prepare Our Hearts...

“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God..” Romans 12:2

Dear To the Parent/Guardian of Kaniah Copeland,

It is with great pride and gratitude that we recognize the incredible leadership that your student exhibited during our rising freshmen tours. Your child demonstrated patience and responsibility presenting the high school campus to over 500 students. Franklin County High School strives to create an environment in which our students can grow and display their talents and abilities. Your student definitely exceeded our expectations, and for that, we are grateful.

Sincerely,

“It is with great pride and gratitude that we recognize the incredible leadership that Kaniah exhibited during the rising freshmen tours...She definitely exceeded our expectations and for that we are grateful.”
